Dedication

Our 90th Anniversary booklet is dedicated to the founding fathers of our church, and the faithful who have labored through the years. We are thankful to God for the many blessings bestowed on our congregation over these ninety years, culminating in a fine new edifice dedicated Sept. 16, 1962. It is our prayer that future generations will be inspired to continue seeking His Kingdom through the preaching of His Word and the administration of the Sacraments.

A Greeting from Our Pastor

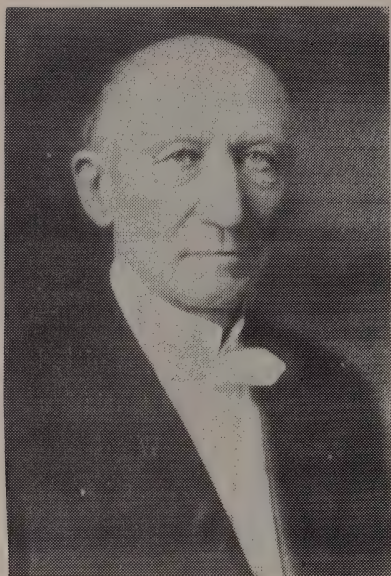

Grace and Peace be with you all!

With a two-fold purpose we gather these days at Calvary Lutheran Church. In the first place we are observing the 90th anniversary of our congregation. For 90 years God has permitted men and women to carry on the work of the holy Christian Church in this place. Through the means of grace—Word and Sacraments—God has sought to impart His divine grace to human hearts. In spite of our shortcomings and failures God has abundantly poured out His loving kindness on us. Little children have been grafted into the Kingdom through baptism; children have been taught the Word of truth; young and old have been comforted, guided and directed through the preaching of the Word. Surely His Word will not return void, but shall accomplish what He intends.

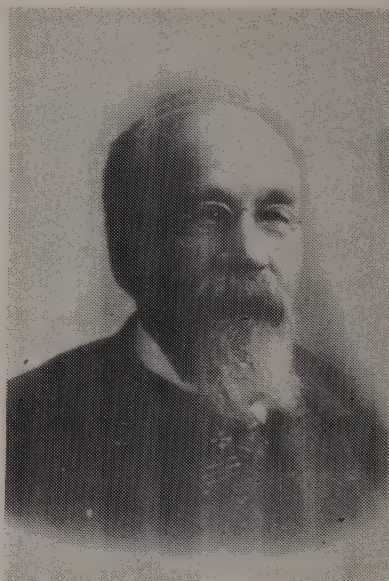

Secondly, we are gathered to dedicate our new church and educational unit. We have been blessed through all these years and those who labored before us have laid a good foundation. To their honor and to the glory of God, our Heavenly Father, the present congregation has erected these new facilities. With grateful hearts for what God has entrusted to us, we gladly dedicate our church and ourselves to the continued growth of His church on earth and the salvation of men everywhere.

Your pastor,
Alfred H. Sevig

Calvary's Ninety Years of Historical Events

- 1872—Dec. 20, congregation organized through efforts of Rev. T. H. Dahl, the pioneer Conference minister in this county. Name adopted, "The Norwegian-Danish Evangelical Lutheran Church". Iver Olson, Nels Hanson and Dr. Rønning elected as the first deacons. During the first two years services were held in the courthouse and in private homes, and were conducted by visiting pastors, Rev. T. H. Dahl and Rev. O. Paulson.
- 1873—Sept. 14, first couple married, Peter Wick and Maren C. Hof.
- 1874—Jan. 26, congregation decided to build a church and incorporation effected on Aug. 20. First board of directors, O. B. Glarum, John Paulson and A. P. Quam. The new church, 40x28x14 feet, located on First St. and Litchfield Ave., was dedicated on the Second Sunday of Advent. Rev. Sven Oftedahl officiated, assisted by Rev. O. Paulson.
Rev. O. Paulson installed as first resident pastor.
April 19, first child baptized, Eli Nilsen. Martin Leaf was the second child baptized on September 6.
- 1875—November 28, first confirmation with Ingebret Tollefson and Christian C. Birkland as members of the class.
December 30, first funeral that of Petra Augusta Paulson, daughter of Rev. O. Paulson, age 3½ years.
- 1876—Congregation purchased Lot 4 of Block 46, Village of Willmar, on which they built its first parsonage, a small one story building.
- 1877—May 21, unanimously resolved to join the "Conference of the Norwegian Evangelical Lutheran Church of America". In June the Willmar church was host to the annual conference of this group, with delegates attending from 221 congregations.
A Sunday School was organized during this year with Torkel Olson and John Olson as the first teachers. Later the congregation was divided into three Sunday School districts—one for the village, one northwest of Foot Lake and one southwest of town. Through the years a large number of consecrated Christian men and women have given generously of their time and efforts in the teaching of our youth. The Sunday School has for many years taken an active part in mission work by contributing to the support of native workers in China and India.
- 1878—The four-congregation parish at this time had a total of 272 communicant members—Willmar 85 members, St. John's 63 members, Eagle Lake 103 members, and Hardanger 21 members. On Feb. 18 representatives from these congregations met at the home of Rev. Paulson for the purpose of equalizing the share of each congregation in the matter of the pastor's salary, which was \$500.00 a year. Thus, the average contribution per communicant member would be \$1.85 per year and each congregation was assessed accordingly, Willmar congregation's share being \$157.25.
- 1880—Congregation purchased lot 5 of Block 46 which joined the parsonage lot to the south.
- 1885—June 26, the "Mands og Kvindeforening" (Men's and Ladies' Aid Society) was organized. As the name indicates the membership was open to both men and women, and was organized for the purpose of raising money for the local work as well as missions. (Through the years it has done very fine work, is still an active organization and now supports three native workers in Madagascar. In 1936 the name was changed to "Foreign Mission Society" and since that time has worked mainly for missions.)
Rev. Ole Paulson resigned this year and left Willmar to take up his new work at Blanchardville, Wisconsin.
- 1886—Rev. Martin H. Hegge installed as pastor.
- 1887—An addition of 20 feet was built to the church.
Congregation purchased two acres of Sec. 16 of Willmar Twp., west of Willmar, to be used for a cemetery. Another half acre adjoining the first tract was later purchased. This land was platted into lots and sold for \$3.50 each to members and \$5.00 each to non-members.
July 16, The Willmar Sewing Society, which later became The Ladies Aid, was organized with Mrs. Theo. Osmundson as its first president. Early meetings were held in the homes with dues set at ten cents. The Norwegian lan-

- guage was used until 1933. It was always the aim and desire of the Ladies Aid to further the work in the Kingdom of God and contributed considerable sums of money to Foreign and Home Missions, and gave financial aid to church schools and charitable institutions of the Lutheran Free Church. During this year two rural ladies organizations held their first meetings. These organizations "The Willmar Lands' Ladies Aid" and the "Vestre Eagle Lake Kvindeforening" decided in 1921 to join forces and have worked continuously through the years as the "Dovre Ladies Aid." They are still a very active group.
- 1889—Merger of three synods, Norwegian-Danish Conference, Norwegian Augustana Synod and Anti-Missourian Brotherhood, to form the United Church (Forenede Kirke). On Oct. 22 the local congregation voted to join the United Church.
- 1890—September 24, Rev. M. H. Hegge resigned to accept call to Brooklyn, N. Y.

Old parsonage sold and moved away and a new and larger parsonage built on the two lots. (The first parsonage now located on corner of Trott Ave. and Third Street East).
- 1893—September 1, Willmar congregation resolved by a vote of 31 to 3 to stand by Augsburg, by which act they were separated from the United Lutheran Church, and became a part of the group known as "The Friends of Augsburg." "Bethania", organized in 1893, was originally a girls society, but in 1906 it was changed to a society for all young people and was active for many years as "Bethany Luther League". (Later the name was changed to Calvary Luther League). Through the years it has carried on a very fine program for the youth of the church.
- 1895—"The Friends of Augsburg" held their annual meeting in Willmar in June. Sessions were held in the old skating rink (located just south of where the Bank of Willmar now stands) with 61 pastors and 419 lay delegates in attendance. Special guest at this meeting was Missionary Skrefsrud of India. An interesting item from the treasurer's report shows a total income for the year of \$343.11 and disbursements of \$319.87.
- 1896—First choir organized with C. A. Baklund as its director. In the early years the audience was led in the singing of the hymns by a "Klokke" or cantor. Over these many years, the church choirs under various directors, have contributed much to the worship services.
- 1897—The "minority" group adopted a constitution and the name of "The Lutheran Free Church", of which organization the Willmar congregation became a part.
25th anniversary of congregation was observed.

The Hardanger Lutheran Congregation, organized in 1870 and located in Whitefield Township, had for many years been associated in a four-point parish with the Willmar church. In 1903, the membership having dwindled considerably, they decided to merge with the Willmar congregation.
- 1904—Jan. 1, indebtedness on church \$3,440.58. New seats purchased in 1904, bringing the total cost of the church up to about \$13,000. New church dedicated on June 21st. Prof. Sven Oftedahl delivered dedicatory sermon.

Lidt Menigheds Historie

Til Willmar Menighed.

Dyrebare Brødre og Søstre i Herren:

Det Havde Været mig en hjertelig Glæde at deltage i Willmar Menigheds 25 Aars Jubelium, men Herren vilde det anderledes. Jeg Modtog først eders venlige indbydelse ved eders kjære Præst. Men ved nermere overveielse fik jeg saa meget imod at reise saa lige ind under Jul, saa meget mere som jeg var slemt forkjølet, at jeg gav Past. Gynild afslag og bad ham holde mig undskydt. Imidlertid udviklede Forkjølelsen sig til en ondartet Bronkit, saa at jeg for nærværende er aldeles ubrugelig. Jeg følte det paa mig at det var min pligt som Menighedens første bosiddende Præst, at skrive en liden historisk Fremstilling af Menigheds arbeidet i Willmar de første ti, tolv aar af dens Tilværelse.

Byen Willmar og Menigheden er næsten lige gamle. Byen og Menigheden har forholdsvis holdt Skridt med hinanden hvad den ydre væxt angaar.

Jeg kan desvære ikke sige hvem som har organiseret Menigheden, men jeg har en dunkel Forestilling, om, at det maatte have været Pastor O. Hanson, ogsaa kaldtes Rostad, som den gang var Præst i Meeker Co. Kaldet. Jeg har ialfald ingen Erindring om at Menigheden blev organiseret af mig. Paa antaget Kald fra de fire Menigheder, som endnu udgjør Willmar Kaldet tilflyttede jeg og Familie til Willmar i Førstningen af Juli maaned 1874. Inden den tid havde jeg nu og da imellem besøgt Menighedene med Præken og Ministerielle Foretninger. Strax efter den store Blizzard i Februar 1874 var jeg der i besøg. Jeg husker endnu saa vel hvilket Indtryk jeg fig af en Landsmand, som laa nede in byen med afskaarne Ben.

Parochialrapporten for 1874 utviser de konfirmerede medlemmers antal i hele kaldet at have været omkring 200. Af disse havde Willmar Menighed paa sin del 28 medlemmer. Parochial Rapporten for aaret iforveien er ikke rigtig. Da undertegnede tilflyttede Kaldet bestod Willmar menighed af 9 tildels smaa famelier. Nu er Willmar Menighed omtrent dobbelt saa stor som hele Kaldet var den gang, og Eagle Lake Menighed har idag alene saa mange Mennesker som alle fire in 1874. Vi var ikke blot faa men fattige i de dage. Der var kun et par mand her i Willmar some havde en Smule Mammon; ellers var de andre Nybegyndere og Nysettlere. Naar jeg tænker tilbage pa den tid og de Forholde og sammenligner dem med vore Forholde, saa maa jeg forundre mig over, at vi kunde lægge iveri med saa skrøbelige Fremtidsudsigter. I de dage Kjendte vi ikke til Indremissionkassen af hvilke man kunde vente Hjælp; hver maatte "Paddle his own canoe". Sagen er den: Der var tro, haab og kjærlighed i hjerterne. Vi var ikke vant ved store Ting. Menighederne var smaa og fatige. Præsterne smaa og ringe, det paste saa godt sammen. Naar Menighederne blir store og fede, saa maa de have Præster efter sit ege Hjerte. Alting maa være stort. Der var ingen kirker i kaldet uden den lille loghytten ved Eagle Lake. I Willmar

holdtes Gudstjenesterne i det stygge urene Courthus. Det var næsten at miste Pusten naar man om Søndag morgen kom ind i dette Rettens Sted at holde Gudstjeneste. Gulvet glinsede af Tobakspyt og Tobaksaus og Stanken var næsten uudholdelig. Men i havde intet andet valg, vi maatte finde os i det og takke til. Imidlertid bidrog dette mere end noget andet at vi saasart fik Kirke i byen. Det er gaaet mig af Hukommelsen naar vi egentlig begyndte paa Kirken, men allerede i 1875 havde vi kirken i brug. Kirken var pen men inredningen svært simpel, stygge umalede Bænker, Predikestol grovt sammentømret, overtrukket med tøj. Prof. Oftedal med min assistance indviede den. Vore Venner af andre Leire misundte os et saa stort et Tempel.

Fattige var vi før, men fattigere skulle vi blive ved Græshopper hjem søgelsen 1876 og 1877. Disse smaa Plagedyr levnede intet i to paa hinanden følgende aar, men forterrede alt som voksede paa jorden med undtagelse af grønt paa Prarien. Agrene stood om Høsten lige-saa svarte som om vaaren da sæden var saaet. Man havde intet at æde og intet at købe for. Hvordan vi tog os ud var en gaade, men vi levede og ingen led Nød. Det merkeligste af alt var ingen klagede. Gudstjenster kunne vi have naarsomhelst. Søndag eller Sognedag. Næsten alle blev mer eller mindre religiøse.

Midt i denne Hjem søgelse indbød vi Aarsmødet til Willmar. Presterne og delegaterne blev forbløffet da den kom og fik se Tilstanden. Der var intet grønt at se end gresset paa prairien. Der blev Neringsorg hos mange. Hvad Skulde vi æde og drikke og hvormed skulle vi klæde os? —sukkede vist mange af de fremmede, men vi som vare gamle og vane tog Sagerne med ro og gav de fremmede alt de kunn fortere. Jg havde henimod 20 jester i mit hus, men vi følte vist ikke hungerens hare kvaler i den dage, og saaledes var det i alle andre huser.

Pengeindsamlinger til Augsburg. Der var flere allerede i min tid her i Menigheden. Jeg husker ikke alle ei heller husker jeg Beløbene, som blev samlet, men det husker jeg at Willmar har Tusener af Dollars liggende i Augsburg. I de dage, da den gamle Retning fandt sig kaldet at slaa os mod med Hensyn til indsamlingen til Fondet, da gik den, den gang lille Menighed i spidsen for indsamlingen. Menighedens Indsamlingskomite holdt møde i Præstens Kontor før de gik ud til andre og subskriberede \$1000 sig imellem. Hvad man end maatte have at sige om Willmar Menighed, saa kan man ikke fratage dem den ros at den har været fuldtud Augsburg venlig. Men saa har den faaet af Svøben for sin Halstarrighed. Om jeg ikke husker feil, saa blev de udstødt af Synagogen.

Mands og Kvindeforening. I de gamle gode dage, da der altid var mangel i Kassererens kasse, det var med denne kasse næsten som det er med en vis sæk som har hul i bunden. Vi prøvde alle mulige midler med samme uheld, det vilde ikke gaa. En dag som vi sad i kirken og samtalede over dette Kildne Emne var der ensom foreslog at der organiseres en Mands og Kvinde forening. Forslaget vedtoges med stor Begeistring. Det blev et velsignet vendepunkt i Menighedens Historie. Foreningen har arbeidet til usigelig megen velsignelse for Menigheden.

Det er ikke overalt man kan holde Bønne møder fordi man mangler dem som kan optræde offentlig i en Forsamling. Jeg havde den store Glæde at faa inagureret regelmessige. Bønne møder førend jeg reiste herfra. Disse møder fortsetter endnu kun med flere og større kræfter.

Studenter. Dette kald begyndte strax jer var kommen herop at benytte sig af stundenter i deres sommerferier til Religionskol of Gudsords forkyndelse. Jeg er overbevist om at Menighederne bare har havt Velsignelse af denne ordning.

Jeg er ikke færdig med mine bemærkninger, men maa slutte, da Brevet maa i Posten. Dette er skrevet i hast og med ustø haand. Kjære Venner, vær forvissede om at jeg og familie har eder i kjær erdindring. Modtag vor hjerteligste Hilsen. Herren velsigne eder og lade den kommende tid være ligesaa velsignet som den forbigangne.

Eders i Kristi Forbundne,

O. Paulson.

A LITTLE CONGREGATIONAL HISTORY TO THE WILLMAR PARISH

Dear Brothers and Sisters in the Lord:

To me it would have been a great joy and a very special privilege to attend your Twenty-fifth Anniversary of the Willmar Congregation, but God wanted it otherwise. I received the invitation from your Pastor, but upon close consideration I began to think how difficult it would be for me to accept, as it was so near to Christmas, and I was also suffering from a cold infection which developed into bronchitis, therefore I asked Rev. Gynild to excuse me since I was definitely unable to attend.

I felt, however, that because I was the first residential Pastor of this congregation it was my duty to write a history of the work and progress during the first ten or twelve years.

The City of Willmar and our congregation are about the same age, and have kept pace with each other as far as outward progress is concerned. I hesitate to say, however, who organized this congregation, but I have a faint recollection that it must have been Pastor O. Hanson, also called Rostad, who served as Pastor in the Meeker County Congregation. I have, however, no reason to think that I was instrumental in this effort of organization. Upon call from the four congregations, which still constitute the Willmar District, I prepared to take my family along and moved to Willmar in July of 1874. Before that time I had served these congregations and performed Ministerial duties now and then quite frequently.

Soon after the great blizzard in February 1874, I visited this locality again and I still remember the impression I received from a countryman who was bedridden, having lost both of his lower limbs.

The records for 1874 showed around two-hundred confirmed members in the whole district. The Willmar congregation claimed twenty-eight members of this number as their own. The church record for the previous year showed a total of nine small families. At the present time the Willmar Congregation has doubled the total of the four congregations, and today Eagle Lake Congregation alone numbers as many as the four congregations totaled in 1874. We were not only a few mem-

bers, but just as poor financially speaking. There were only a few men here in Willmar who had any money. The rest of them were pioneers and settlers, and I often compare those days with today, when we have been blessed so bountifully and wonder how we could at that time progress and move forward as well as we did.

We then had no Home Mission Fund to give us a boost, but each had to "paddle his own canoe." We did have "Faith, Hope and Charity" in our hearts. We were not used to having big things. The congregations were small and poor. The ministers were sincere and optimistic and these situations went hand in hand. When congregations become great and prosperous, then they require Pastors with similar attitudes. Everything must be great.

There was no church edifice in any of the congregations except for a log cabin in the Eagle Lake congregation. In Willmar, church services were held in the tacky looking and unclean Courthouse, and it became very difficult to have our services in this court room filled with debris and stench from tobacco spit on the floor—but we had to make the best of it and be thankful. This made it imperative that we build a church in Willmar. I am unable to say just when we entered upon this task, but we built a church and were using it in 1875. It was a pretty church but very simple. The pews were roughly built and unpainted. The pulpit was built from crude lumber and was covered on the outside with cloth.

Professor Oftedal, with my assistance, dedicated our little church. A few of our friends from neighboring parishes envied our huge Temple. We were very poor and our means were extremely limited and becoming more so, as the Grasshopper plague returned in 1876-1877. These insects with strong legs and wings for jumping, devoured and destroyed every form of vegetation for two succeeding years, with the exception of a little green on the prairies. The cultivated land was as black in the fall of the year as in the spring before seeding and planting. We had nothing to eat, and nothing with which to buy. I have often been puzzled when I think of the predicament, but we lived on and no one complained, which was almost unbelievable.

In the midst of this difficult situation, we invited the Annual-Meeting to come to Willmar. The Pastors and Delegates were astonished to learn of our plight, and wondered how they would fare here, but we had learned to accept our trials and took good care of our guests, and we were happy to share our mutual trust and feelings with them.

Soliciting Funds for Augsburg

Several people were chosen to do this. I do not remember who they were or how much money they were able to get, but this I know—that the Willmar Congregation invested thousands of dollars in Augsburg. Later, as they needed more, the little Willmar Congregation came to their rescue, and the standing committee raised \$1,000.00 among themselves as they gathered in the Pastor's Study to take over and perform this designated task.

Men's and Ladies' Society

In the good old days there was always a need for money in the treasury, as if there were a hole in the bottom of the sack. One day as

we continued to study this situation, one man made a motion that we try to organize a Men's and Ladies' Society. This motion was passed and accepted with great enthusiasm and became a turning point and great blessing to the whole congregation.

Prayer Meetings

These meetings were not well attended because many would hesitate to pray in public. But I had the great joy of establishing regular prayer meetings before I left this Congregation. These meetings still continue with greater and more strength and many blessings.

Students

Shortly after I came here this congregation invited students to come here during their summer vacation periods. They taught parochial school and assisted at church meetings and this became an asset to the congregation.

I have not finished my attempt at giving this little history of the Willmar Congregation, but must put this letter in the mail. This is written hastily and with an unsteady hand.

Dear Friends, believe me, we do greatly esteem and cherish the memory of our work in your midst. The Lord Bless you all, and may you continue in good Faith in the future as you have done in the past.

Yours in Christ.

PLASTIC CLAY

I took a piece of plastic clay
And idly fashioned it one day,
And as my fingers pressed it still,
It bent and yielded to my will.

I came again when days were past,
The bit of clay was hard at last
The form I gave it still it bore,
But I could change that form no more.

I took a piece of living clay
And gently formed it day by day,
And molded it with power and art—
A young child's soft and yielding heart.

I came again when years were gone,
He was a man I looked upon.
The early imprint still he bore,
But I could change him then no more.

Eph. 4:1

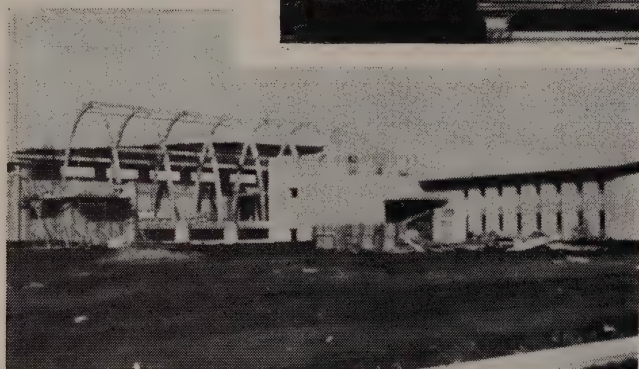

"Mercy there was great, and grace was free,
Pardon there was multiplied to me;
There my burdened soul found liberty,
At Calvary."

Consecration

At last we've built it! God's house!
We've dreamed about it, and the dream's come true
And now it stands all beautiful and new,
And we,, who've sacrificed and watched it grow,
Are close to tears. We love it so.

What shall our prayer be? "Father
O grant that all who come to worship here
May feel Thee very close and very dear;
Make this the high resolve of every mind,
To walk with Thee, to serve mankind."

LUTHERAN FREE CHURCH

2122 Riverside Avenue

Minneapolis 4, Minnesota

Federal 8-7079

Office of the President
John Stensvaag

Calvary Lutheran Congregation
Willmar, Minnesota

Grace to you and joy!

On this doubly festive day, it is a pleasure to extend to you congratulations and good wishes on behalf of the congregations of the Lutheran Free Church.

The sanctuary which you have built is a fine forward step, a testimony to your labor and devotion to Christ. It is a testimony, too, to the never failing mercy of God.

But a sanctuary, even a beautiful one like this, is in itself only a building, only a house. The chief reason for our rejoicing is that Christ is here—in the Word and Sacraments. And because He is here, all who enter these doors may find in this place comfort and strength, forgiveness and life.

In grateful response, let us resolve this day to live more fully for God and to seek to draw many others to the blessings of this house. With such a dedication and such a purpose, the Christ of Calvary will be truly pleased.

Sincerely in Him,

John Stensvaag, President
Lutheran Free Church
